Photography/ Video/ Capturing and Displaying Images of Members

The club may wish to display photographs of Hamble Aquatics swimmers on the swim team notice boards at Hamble Leisure Centre and or on the club website / Facebook page. They may also be used for other promotional purposes, i.e. newspaper press releases, social media, leisure centre noticeboards.

We may also take individual or group photographs at other events such as open meets & galas which may also be displayed at the sites previously mentioned.

The swimming coaches at Hamble Aquatics feel that the use of video in the team members swimming during training sessions will help the children. It is felt that visual aids can enhance the swimmers techniques and understanding

Please complete the form below to show whether or not you agree to your child being photographed or videoed in this way. Return to the Members Secretary – Teresa Parker.
